Dear Mr Boag

Re: ISO 9001 Registration

Following your recent Re-Audit I am happy to inform you that it confirmed your compliance with ISO 9001:2008 at J & P Contracts (Angus) Ltd.

Changes have been made with regard to our accreditation logos and we are in the process of replacing all certificates and logos to a unified generic management system accreditation logo.

Therefore please find enclosed replacement certificate for your ISO 9001 Registration reflecting this change, along with a revised Use of Mark document. The new generic logo will be e-mailed to you. Should for any reason you do not receive this please do not hesitate to contact us.

Existing stocks of paperwork can continued to be used as we do not wish to put you to additional expense, but when the opportunity arises we would expect you to replace the obsolete logos with the generic logo.

Should you require any further clarification on this or any other matter, please do not hesitate to contact me.

Yours sincerely
